Family feud online live streaming

(Photo: ABC) Tonight is our last chance to watch Modern Family live online when the series airs its final episode. The finale is a two-hour spectacular that combines a two-length period that lasts an hour and a retrospective of the series that lasts another hour. Pritchett, Dunphys and Tucker have a lot of finals coming up. Mitch and Cam are still dealing with their new house, and as for Jay, Gloria and Manny? Gloria is finally starting to see the men in her life being able to take care of themselves. The start time of the Modern Family finale, the finale of channelModern Family's 2-hour series, begins tonight at 8.p.m. Eastern, on ABC. And that's only the first half of the finals. What's in the second half? ABC keeps things a secret, and its official final synopsis says only that the whole family notices that saying goodbye is much harder than it looks... Which makes me wonder if they're all stuck together. It's all the kind of family sitcom finale that evokes a lot of emotions and probably makes us feel a lot of emotions. We don't know when Phil (or someone else) will ask why his face? But we know that if it happens, someone - or the whole family - is likely to burst into tears. Here's everything you need to know about how to watch Modern Family online, live from anywhere on Earth. Just because ABC isn't available everywhere doesn't mean americans have to miss the finals if they're away from home.
